

KID'S SERMON WORKSHEET  
**ON LUST & OBJECTIFICATION**  
9/20/20

Dear Parents,

We hope these Kid's Sermon Worksheets serve you and your family well, especially for those of you with children 3rd grade and below.

Unfortunately, today's sermon hits on sexual topics that are heavy for even middle school and high school students (including pornography, assault, etc.). As a result, we do not recommend children under 6th grade listen to this sermon and are not providing a Kid's Sermon Worksheet for this week.

Love,

Your Kidtown Team

If you or your child are dealing with any sexual issues, please don't feel like you have to deal with that alone, email us at [kidtown@midtowncolumbia.com](mailto:kidtown@midtowncolumbia.com).
