

CONVERSATION GUIDE

Middle-High School

DATE: 2/7/21

LESSON: *Passive Men and the Women who Resent Them*

INTRO

This conversation guide exists to help parents interact with their middle and high school students. Our goal is to help them transition toward being adults, but most middle and high school students still need some translation and help connecting what we're learning on Sundays to their lives.

- **Ice Breakers:**
 - What kind of messages do you hear in our society about the distinctions between men and women? (*from your friends, the internet, TV and movies*)
 - What messages do you hear about marriage roles?

- **Sermon Discussion:** What is something that stood out to you from this sermon? Is this different from the way you have heard marriage talked about before?
 - What do you remember about the roles for husbands and wives that were talked about in the sermon?
 - Do you know any married couples who live out these roles really well?
 - When/if you start dating, what ideas from this sermon would be helpful for you to think about and pray about as you think about who you choose to date?

- **Parent Share:** If you're married, tell your kids about how you think about marriage roles in your marriage.
